Frequently Asked Questions (FAQ)

1) What is Home-Based Learning (HBL)?

HBL takes place in the homes of pupils as it engages pupils meaningfully during non-school days or an unscheduled school closure. Learning content is delivered digitally via learning portal(s).

2) Must my child/ward participate in HBL?

Your child/ward is strongly encouraged to participate in HBL as it is important that learning still takes place beyond curriculum hours.

3) Is there any specific timing to access HBL? What should I do if my child/ward is not able to complete the assigned assignments during the allocated timeslot as recommended?

Yes, there is specific timing. This is to facilitate the limited concurrent access that can be supported by the portals. However, if your child/ward is unable to access HBL during the stipulated time, he/she can still access the assignments at any other time of the day. Do note that you may experience a slowdown in the internet system because of heavy traffic.

4) What is the web addresses for the learning portal?

AsknLearn Portal → http://lms.asknlearn.com/Anderson_ps/

Password will be reset to the child's B/C No within 30 minutes from the time of the call.

Alternatively, please email to lmssupport@asknlearn.com, stating the child/ward's name, B/C number, class and contact number.
