25 May 2017

Dear Parents/Guardians,

P3 to P6 Home-Based Learning (HBL) during June School Holidays (27 May to 26 June 2017)

The school believes learning continues even when the child is at home. HBL during June School Holidays provide our pupils the opportunity to continue their learning at home and consolidate what is learnt in school.

Spending time completing these alternative forms of learning at home also cultivates good study habits and positive learning attitudes that will encourage them to be responsible self-directed learners. It will also be an invaluable opportunity for our young pupils to develop and exhibit our school values, Passion for Learning and Quest for Excellence.

Together with this letter, you will also receive the following information sheets:

- Assigned Tasks for English, Mathematics, Science and Mother Tongue Languages for P3 to P6 (**Refer to Appendix A**)
- Instructional Guides to access AsknLearn Portal (**Refer to Appendix B**)
- Frequently Asked Questions (FAQ) for HBL (**Refer to Appendix C**)

We seek your understanding should your child/ward experience a slowdown in the internet system due to heavy traffic. Do remind and encourage your child/ward to take regular five-minute vision breaks after every 30 minutes on the computer.

Parents/ Guardians play an important part in their child's/ward's education. Thank you for your support during their learning process at home by providing positive feedback that will give him/her the confidence to persevere, work hard and reach high standards of achievement.

The HBL tasks should be completed by 26 June 2017 so as to enable the respective subject teachers to go through the assigned tasks with the class pupils by end of the Term 3 Week 2.

Yours sincerely,

Mrs Tan Wie Pin
Principal

"Learners with Passion. Leaders with Heart. Citizens of Character."

Frequently Asked Questions (FAQ)

1) **What is Home-Based Learning (HBL)?**

HBL takes place in the homes of pupils as it engages pupils meaningfully during non-school days or an unscheduled school closure. Learning content is delivered digitally via learning portal(s).

2) **Is it a must that my child/ward participates in HBL?**

You child/ward is strongly encouraged to participate in HBL as it is important that learning still takes place beyond curriculum hours.

3) **Is there any specific timing to access HBL? What should I do if my child/ward is not able to complete the assigned assignments during the allocated timeslot as recommended?**

Yes, there is specific timing. This is to facilitate the limited concurrent access that can be supported by the portals. However, if your child/ward is unable to access HBL during the stipulated time, he/she can still access the assignments at any other time of the day. Do note that you may experience a slowdown in the internet system because of heavy traffic.

4) **What is the web addresses for the learning portal?**

AsknLearn Portal → http://lms.asknlearn.com/Anderson_ps/

5) **What if my child/ward has forgotten his/her passwords for the portals?**

You may call AsknLearn Help Desk at the following telephone number during office hours from Mon to Fri (8am to 6pm) : **6777 9661**

Password will be reset to the child's B/C No within 30 minutes from the time of the call.

Alternatively, please email to lmssupport@asknlearn.com, stating the child/ward's name, B/C number, class and contact number.

6) **What is the technical specification required to view the assignment on my home computer?**

Following is the recommended specification for best viewing of the assignment on the portal:

- Mozilla Firefox, Google Chrome or Microsoft Internet Explorer version 8 or above
- Flash player version 7 or above.
- To install – Please visit <http://get.adobe.com/flashplayer/>
- Broadband access will enhance e-learning experience

For more information, please contact the AsknLearn Help Desk at the following telephone number during office hours Mon-Fri (8am to 6pm) at **6777 9661**. For queries on learning content, please contact the Anderson Primary School during office hours Mon-Fri (9am to 4pm) at **6456 0340**.

7) **What if my child/ward does not have computing devices or Internet access at home?**

Computer Laboratory 1 (for P3 to P6 pupils) will be open to pupils on a first-come-first-served basis from 29 May to 2 June 2017 and 21 to 23 June 2017 from 9 a.m. to 12 noon and 1 p.m. to 4 p.m. At any point of time, each laboratory is able to accommodate a maximum of 40 pupils only. Pupils are required to sign in when they enter the laboratory and sign out before they leave the laboratory. Parents/Guardians are to make the necessary transportation and/or lunch arrangements for their children. Please note that not all school canteen vendors may operate on those days.
