The **objective** of the voluntary service to enjoy priority registration at Phase 2B is to encourage long-term involvement of the parents with the school.

Submission of the application form does not imply that the applicant has been selected for the Parent Volunteer Scheme. Based on historical trend, a ballot based on citizenship of the child and home distance category will be conducted to decide the applicants being selected. After the closing date, we will inform you the date, time and venue of the ballot via email. The ballot will be held in early June.

Volunteers selected will be scheduled to perform 1-hour traffic duties from 6:30am-7:30am for 40 weeks from June 18 – May 19. The total hours clocked by both parents will be used to calculate the minimum of 40 hours. Please do not submit this form if you could not commit 1 hour per week for 40 weeks. The school shall not be held responsible in the event that applicants who are selected for the parent volunteer scheme are not able to put in at least 40 hours of voluntary service to the school.

Kindly note that being accepted as parent volunteers does not guarantee that your child will be able to secure a place at Anderson Primary School in Phase 2B of Primary 1 Registration in 2019.

Do visit MOE's web site at <https://www.moe.gov.sg/admissions/primary-one-registration> for more information on the P1 registration process.

I have read and accept the terms and conditions of the Phase 2B Parent Volunteer Scheme.
