Dear parents/guardians

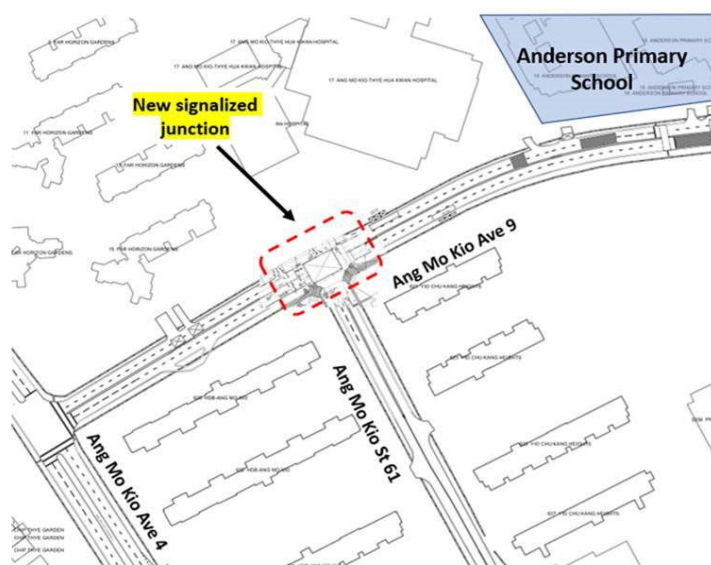

START OF TERM 3 UPDATES

Please take note of the following as we start Term 3 from 27 Jun 2022 (Mon).

1. We remind all parents/guardians to be socially responsible. Please ensure that your child/ward is feeling well before he/she comes to school every morning. If he/she is not well, please bring him/her to see a doctor and let him/her rest at home for the duration of his/her MC. If he/she is a close contact of a positive case, please ensure that he/she takes an ART test in the morning for 5 consecutive days (MOH Protocol 3). He/She may leave the house for the day only if the test is negative. Please note that mask-wearing is still required in school (except when eating/drinking/strenuous exercise).
2. Please note the following changes to our school dismissal times, starting from 27 Jun 2022 (Mon). Given that there is a general easing of Safe Management Measures, the staggered dismissal time for the rest of P5 and P6 students has been reviewed and streamlined starting from Semester 2.

3. LTA has implemented a new traffic light junction at the Thye Hua Kwan (THK) Hospital entrance. The previous signalized pedestrian crossing after THK entrance has been incorporated into this new traffic junction. Please [REDACTED] your child/ward to always only cross the road when the 'Green Man' is displayed.

4. As a safety precaution, all drivers are reminded to queue up patiently along the left-most lane to enter the school premises to drop off children in the morning. Always be on the lookout and give way to pedestrians. Please do not attempt to 'cut' in from the right-most lane to enter the school as this is a very dangerous practice. Do obey any instructions from the traffic wardens from THK and our school.
5. If you are fetching your child/ward after school, please do not park your vehicle along Ang Mo Kio Ave 9 to wait. Do use the public parking lots in the nearby housing estate.
6. Like other food stalls, our school canteen stallholders have expressed that they are facing challenges with rising costs, especially with more costly ingredients for healthy meals. The school has thus agreed to their request for increase in the price of some of the food items that they are currently selling in our school canteen, ranging from 10 cents to 20 cents.
7. The school will be conducting a temperature checking exercise on 29 Jun 2022 (Wed), to educate students to take personal responsibility for their own health and practise social responsibility. It will also ensure that our students are still familiar and know how to use their Oral Digital Thermometer (ODT). Please help to ensure that your child/ward carries a working ODT to school every day.
8. The school will be closed on 4 Jul 2022 (Mon) as it is a Youth Day School Holiday.

Yours sincerely

Mdm Delia Hoo
Principal
