

PAT & OYEA 2018 Nominations

Do you know teachers who have made outstanding contributions in moulding the future of our nation? The Ministry of Education (MOE) invites you to nominate them for the following national awards:

President's Award for Teachers (PAT) 2019

The President's Award for Teachers recognises excellent educators for their dedication and hard work in developing our young. These teachers must believe in preparing students for life, as well as embody the commitment to continuous learning. In addition, they should inspire their students and act as role models for the teaching fraternity. They should also be reflective practitioners who demonstrate deep pedagogy.

The PAT is now open to teachers from primary and secondary schools, Junior Colleges (JC) and Millennia Institute (MI), as well as educators from the Institute of Technical Education (ITE) and polytechnics. Since the establishment of the award in 1998, it has recognised 92 teachers for their teaching excellence, dedication and hard work.

Outstanding Youth in Education Award (OYEA) 2019

Separately, the Outstanding Youth in Education Award (OYEA) recognises young teachers, aged 35 and below, for their youthful idealism, enthusiasm, energy and active involvement in youth development.

OYEA is open to teachers born on or after 30 June 1984, and are presently in service in a primary school, secondary school, JC or MI. Since its inception in 1999, 72 outstanding young educators have received the award.

Nominations for the Outstanding Youth in Education Award (OYEA) and President's Award for Teachers (PAT) are now open. The nomination period will close on 8 January 2019 and 22 January 2019 for OYEA and PAT respectively.
