26 January 2017

Dear Parents/Guardians,

Holistic Assessment for Primary 5

In line with PERI's (Primary School Education Review and Implementation) recommendations, Holistic Assessment (HA) will continue to support pupils' learning in Primary 5 and help them acquire knowledge and develop skills and values. HA aims to build pupils' confidence and desire to learn through more manageable bite-sized assessments. The range of assessment modes allows our teachers to gather information about pupils' learning and provide feedback to the pupils on their mastery of concepts and skills as well as their strengths and areas for improvement. As parents, you can look forward to richer feedback on your child's development and gain a more complete picture of his achievement and progress.

As an integral part of the Assessment Plan to ensure rigor and standards of the learning outcomes, there will be both Formative Assessments (non-weighted) and Summative Assessments (weighted).

a. Summative Assessments (Weighted)

Summative Assessments are used to assess and report on pupils' level of achievement of learning objectives. These are weighted and the marks obtained are counted towards the overall results at the end of the year. Please note that for terms 2 and 4, the percentage of the weighted assessments will add up to 100%.

Subjects	Term 2 SA1	Term 4 SA2
English Language , Mathematics, Science & Mother Tongue Languages	30%	70%

"Learners with Passion. Leaders with Heart. Citizens of Character."

a. Formative Assessments (Non-weighted)

Starting from 2016, Class Tests which were usually conducted in Term 1 and 3 have been replaced by formative assessments. The formative assessments will take place throughout the year. The goal of formative assessments is to gather timely feedback that can be used by the teachers and the pupils to guide improvements on the on-going teaching and learning context. These are developmental assessments and do not carry any weighting towards the final score. The information is also helpful for pupils to assess and reflect on the level of mastery of the concepts and/or skills. Besides, parents/guardians can use the information to provide the necessary support and encouragement for their child/ward.

These formative assessments are carried out using different subject-appropriate modes of assessment, for example, mini tests, performance assessments and problem solving tasks.

Mini tests will be conducted during common level timeslots whereas the rest will be held throughout the year. Different modes of subject-specific feedback will be provided for the assessment tasks. The feedback aims to guide the pupils in their learning progress.

Details of the HA Plan by subjects can be found on our school website. Should you have any query, you may contact the respective Heads of Department (HOD):

Appointment	Name	Email Address
HOD/English Language	Mrs Vimala Ratnaraja	vimala_ratnaraja@moe.edu.sg
HOD/Mathematics	Mdm Phua Ei Ling	phua_ei_ling@moe.edu.sg
HOD/Science	Mdm Er Siew Shin	er_siew_shin@moe.edu.sg
HOD/Mother Tongue Languages	Mr Lee Seh Lat	lee_seh_lat@moe.edu.sg

Thank you.

Yours faithfully,

Mrs Tan Wie Pin
Principal
