2 February 2018

Dear Parents/Guardians,

Holistic Assessment for Primary 5

Holistic Assessment (HA) is an important part of teaching and learning which provides useful information to your child, your child's teachers and you. In the implementation of HA, our school will use a range of appropriate assessment modes for different purposes to support the development of the whole child. The range of assessment modes allows our teachers to gather information about students' learning and provide feedback to the students on their mastery of concepts and skills as well as their strengths and areas for improvement. For parents, this feedback can also help you support your child's learning and growth.

To ensure rigor and standards of the learning outcomes, our school's overall HA plan includes both Formative Assessments (non-weighted) and Summative Assessments (weighted).

a. Summative Assessments (Weighted)

Summative Assessments are used to assess and report on students' level of achievement of learning objectives. These are weighted and the marks obtained are counted towards the overall results at the end of the year. Please note that for Terms 2 and 4, the percentage of the weighted assessments will add up to 100%.

Subjects	Term 2 SA1	Term 4 SA2
English Language , Mathematics, Science & Mother Tongue Languages	30%	70%

b. Formative Assessments (Non-weighted)

The goal of formative assessments is to gather timely feedback that can be used by teachers and students to guide improvements on the on-going teaching and learning. These are developmental assessments and do not carry any weighting towards the final score. The information is also helpful for students to assess and reflect on the

"Learners with Passion. Leaders with Heart. Citizens of Character."

level of mastery of the concepts and/or skills. Besides, parents/guardians can use the information to provide the necessary support and encouragement for their children/wards.

These formative assessments are carried out using different subject-appropriate modes of assessment, for example, mini tests, performance assessments and problem solving tasks. Mini tests will be conducted during common level timeslots whereas the rest will be held throughout the year. Different modes of subject-specific feedback will be provided for the assessment tasks. The feedback aims to guide the students in their learning progress.

Details of the HA plan by subjects can be found on our school website. Should you have any query, you may contact the respective Heads of Department (HOD):

Appointment	Name	Email Address
HOD/English Language	Ms Jaime Chia	jaime_chia_ai_lin@moe.edu.sg
HOD/Mathematics	Mdm Phua Ei Ling	phua_ei_ling@moe.edu.sg
HOD/Science	Mdm Er Siew Shin	er_siew_shin@moe.edu.sg
HOD/Mother Tongue Languages	Mr Lee Seh Lat	lee_seh_lat@moe.edu.sg

Thank you.

Yours faithfully,

Mrs Serene Soh
Year Head/ Upper Primary
